### Wellcome to my Youtube Channel [100]

Akhir-akhir ini aku tertarik dengan cyber security. Untuk menambah motivasi belajar, aku banyak menonton film tentang hacker. Aku meninggalkan jejak pada akun channel youtubeku. apakah kamu bisa "menebak" apa nama channel youtubeku ? Jika rajin mencari-cari, kamu akan menemukanku dan disana ada informasi yang bisa kamu dapatkan

Author : Little\_Krisna

Hint:

username youtube channelnya apakah benar-benar menebak ?? Saya rasa tidak.

Saya tidak menggunakan username lain kok hehehe.

Coba cari-cari dehh, pasti ada informasi di channel youtubenya, pastikan kamu membuka semua yang ada disana, tanpa terkecuali !!

Kata dosenku, belajar cyber security perlu niat, usaha, dan kesabaran. Dosenku menyarankanku untuk mencoba ikut "kompetisi cyber security" untuk menambah pengalaman. Sabar dan usaha adalah kunci ! hati-hati dalam berkomentar karena jejak digital itu berbahaya. kamu bisa ditemukan oleh orang lain melalui komentar jejak digitalmu

Berdasarkan username author di atas, kami mencoba mencari username tersebut di Youtube [https://www.youtube.com/results?search\\_query=Little\\_Krisna&sp=EgIQAg%253D%253D](https://www.youtube.com/results?search_query=Little_Krisna&sp=EgIQAg%253D%253D) sehingga menemukan channel tersebut dan mendapatkan Checkpoint 1.

The screenshot shows the YouTube channel page for 'Little\_Krisna'. The channel has 18 subscribers. A video thumbnail features a blue-skinned character. Below the video, a post from the channel owner says: 'Haloo peserta GKSK, selamat kamu sudah 1 langkah lebih dekat menuju flag !' followed by a message about hacker movies and awards. The post has 1 like and 1 share.

Film tentang Hacker yang mendapatkan Emmy Award adalah Mr. Robot. Setelah menemukan channel Youtube Mr. Robot, kami menggunakan hint "kompetisi cyber security" untuk mencari judul video yang sesuai. Akhirnya kami menemukan Checkpoint 2.

hello GKSK participants, congratulations on finding the next clue.

The next clue is:

I really like a character in this series. this character has a very important role in the story. this character has a famous quote which is "Power belongs to the people that take it. Nothing to do with their hard work, strong ambitions, or rightful qualifications, no. The actual will to take is often the only thing that's necessary."

I have read the full story and biography of this character on a platform. I also put the flag of this challenge there.

Let's find out the name of the character and the name of the platform and find the flag.

good luck!

Selanjutnya kami diminta mencari character then Quote seperti di gambar.

## Foto Bersejarah [100]

Kakekku adalah seorang kolektor barang antik. Ia suka mengoleksi barang-barang peninggalan kolonial Belanda. Pada suatu ketika, aku main ke ruangan yang dipenuhi oleh foto bersejarah. Aku tertarik pada sebuah foto. Foto ini merupakan foto bangsawan dari salah satu puri/kerajaan wilayah di Bali. Kakekku memberi tahu bahwa foto ini hanya salinan saja, karena foto aslinya ada di museum di negara Belanda. Kakekku kemudian menyuruhku untuk mengunjungi museum ini dan mencari tahu di museum manakah foto ini disimpan, tahun berapa foto ini, dan Inventory Number dari foto ini. Btw kata kakekku museum ini memiliki beberapa nama, jadi silahkan dicoba satu persatu

Format flag : GKSK#8{NAMAMUSEUM\_DD/MM/YYYY\_INVENTORYNUMBER} Flag ditulis UPPERCASE tanpa spasi Contoh : GKSK#8{MUSEUMANGKUT\_28/04/2024\_BC321CBA}

Kami melakukan reverse image menggunakan Google Lens,

The screenshot shows a Google Lens search interface. At the top left is the Google logo. In the center is a large thumbnail of the original image, which is a black and white photograph of a group of people, likely a family or community, sitting and standing in front of a traditional thatched-roof building. To the right of the main image are several smaller thumbnail results under the heading "Related search". These include images of Bali History, Pinterest pins for "Bali, Bali girls, Indonesian art", "48 Bali ideas | bali, balinese, bali island", and "MALAY WEDDING, MALAYA | Malay...", as well as links from Wikimedia Commons and Flickr. A "Find image source" button is located at the top left of the main image area.

Di sini kami mendapatkan nama museum Tropenmuseum, lalu kami kunjungi situs resmi koleksinya

The screenshot shows a search results page from the Tropenmuseum website. The URL in the address bar is "collectie.wereldmuseum.nl/?query=search=%22Indonesië%22/query/80d64b27-d031-4d2f-8364-3299d580a4b6". The page header features the "WERELD MUSEUM" logo. Below the header, a search bar contains the query "Alle velden x : "Oeboed" x" and displays "84 record. Halaman 21 dari 84 ditampilkan.". The main content area shows a card for a photograph titled "Portret van de cokorda van Oeboed met familie en personeel -". The card includes a thumbnail of the photograph, which is a black and white image of a group of people, and detailed metadata: "Onbekend / Unknown (Fotograaf)", "Culture : Balinees", "Asal : Zuidoost-Azië: Insulair / Indonesië / Bali / Gianyar (regentschap) / Ubud 29-09-1908", "Nomor inventaris : TM-10023780", "Medium : fotografische gelatine fotografische procedés glas (materiaal)", "Publications : Available in Wikimedia Commons.", and "Kata-kata kunci : Negatieven". Navigation buttons for the search results are visible at the bottom of the card.

Amerika Serikat telah berkompetisi di hampir setiap Olimpiade kecuali satu yang tidak diikuti. Temukan lokasi di mana upacara pembukaan diadakan dan mengaksesnya melalui Google Maps. Berkat Google, itu bisa seolah-olah Anda berada di sana berjalan mengitari jalur di dalamnya.

Amerika Serikat telah berkompetisi di hampir setiap Olimpiade kecuali satu yang tidak diikuti. Olimpiade yang tidak diikuti oleh Amerika Serikat adalah Olimpiade Musim Panas 1980 di Moskow, Uni Soviet. Pada saat itu, Amerika Serikat memutuskan untuk memboykot Olimpiade sebagai protes terhadap invasi Uni Soviet ke Afghanistan. Sebagai hasilnya, Amerika Serikat dan beberapa negara lainnya memboykot Olimpiade tersebut.

Pembukaan Olimpiade Musim Panas 1980 diadakan di Stadion Luzhniki di Moskow, Uni Soviet. Stadion ini merupakan salah satu stadion olahraga terbesar di dunia dan menjadi pusat perayaan untuk acara tersebut. Meskipun Olimpiade tersebut diwarnai dengan boikot dari beberapa negara, termasuk Amerika Serikat, pembukaannya tetap diadakan dengan megah. Acara pembukaan Olimpiade 1980 di Stadion Luzhniki menjadi momen yang berkesan bagi para atlet dan penonton yang hadir.

### Misteri Ruang Angkasa [100]

Temanku adalah seorang astronot yang bertugas di ISS. Beberapa bulan ini kami sering bertukar pesan dan bercerita mengenai ruang angkasa. Kami juga sering membahas mengenai misteri ruang angkasa. Namun beberapa hari yang lalu, temanku tiba-tiba mengirimkan sebuah foto. Ia mengatakan bahwa foto ini sangat penting. Ia mengatakan bahwa ada

rahasia didalam foto ini. Saat aku menanyakan maksudnya, Ia tidak membalas pesanku sampai sekarang. Dia tidak pernah bisa dihubungi lagi semenjak saat itu. Entah apa yang terjadi padanya di ruang angkasa sana. Tolong bantu aku menemukan misteri dari temanku ini.

### Pesan Tersembunyi Wingdings [100]

Aku punya kode ni Q33 NY NY Q33 tolong pecahin ya hehe.

Author:Keith

GKSK#8{Plane1\_Plane2}

EXAMPLE:GKSK#8{Lion\_Airlines\_21\_Indonesia\_Flight\_17}

Penjelasan konspirasi kode di atas dapat dilihat pada gambar di bawah.

You can also try this using the Wingdings font converter, or try it on your own text processor by typing Q33 NY and changing the default font to Wingdings.

See also [How to Speak Wingdings? Guide for Sending Secret Messages](#)

The result is what seems to be a plane crashing into the WTC, along with the same skull and Star of David, representing New York City.

However, in fact, the WTC was not located in such Quadra 33 nor Q33 was a related flight number (the two flights that collided with the towers were [American Airlines Flight 11](#) and [United Flight 175](#)) Q33 is only the number of a bus line that runs nearby, which demonstrates how the comparison is being forced.

## I am Late [100]

Today is Tuesday. I had an important meeting, and ..... I was late!!! Even worse, I forgot where I put my car keys. Can you help me to find them?

Last memory: I got home at 6 P.M, yesterday and had dinner in the living room. After that, I took a bath. Then I played games, changed clothes, and checked the car in the garage. I forgot about the arrangement.

Kami melakukan reverse image menggunakan Google Lens,

The screenshot shows the Google Lens interface. A large image of a steampunk-style clock face with gears and a central sun-like symbol is centered. A white rectangular crop box highlights a smaller circular inset in the center of the clock. Below the main image are three buttons: 'Search', 'Text', and 'Translate'. To the right of the main image is a grid of search results. The first result is 'I THOUGHT I COULD MAKE IT - YouTube' with a thumbnail showing a similar clock face. Other results include 'The Ident Gallery Channel 5 : Special Idents 2014 : The Iden...', 'itch.io ACTIAS by Jonathan Alber, Kamilaah Schult...', 'GGRecon How to get into the Clock Tower in...', 'Midnight Man GIFs - Find & Share on GIPHY', '예엠코리아 하는김에 찐은 소와레 움짤 - 버튜버 - 예엠코리아', 'TikTok Wartrain Gouon, #bayonetta3 #fyp...', 'DeviantArt Explore the Best Nereide Art |...', 'Playground AI "Fullmetal Alchemist art" - Playground', 'Tumgik #kokokoku gifs | Explore Tumblr Posts and Blo...', and 'Facebook X-Land of Fantasy - video creation @4U2.' At the bottom right of the search results is a 'Yes' button.

Lalu kami mendapatkan sebuah website yang berisi video dari gambar tersebut dan kami juga mendapatkan judul lagu serta karakter yang ada di video tersebut

The screenshot shows a Nicovideo.jp video page. The title is 'soiree / cover'. Below the title, it says 'comment:This song is a party song that combines cute melody and cool sound! music: Soiree artist: Suisei Hoshimachi #Soiree #Suisei Hoshimachi #Music #Singer #Sacred music #I tried singing ▾ Open video description'. The video player shows a character in a steampunk-themed setting with a large clock face. On the right side of the screen, there are various video-related controls and a sidebar with related videos like '[High quality sound] To that summer Joe Hisaishi' and '[Guitar] I tried playing Blood Circulator @ Chabashira.'

Kami mencari nama yang ada di soal pada Wikipedia dan mendapat informasi bahwa ia adalah seorang penulis

Kemudian berdasarkan soal kami mengetahui bahwa hal yang dimaksud adalah Winnie-the-Pooh, lalu kami mengecek buku tersebut di Wikipedia

**A. A. Milne**

From Wikipedia, the free encyclopedia

**Alan Alexander Milne** (*lmtin*; 18 January 1882 – 31 January 1956) was an English writer best known for his books about the teddy bear *Winnie-the-Pooh*, as well as for children's poetry. Milne was primarily a playwright before the huge success of *Winnie-the-Pooh* overshadowed all his previous work. Milne served in both world wars, as a lieutenant in the Royal Warwickshire Regiment in the First World War and as a captain in the Home Guard in the Second World War.<sup>[1]</sup>

Milne was the father of bookseller Christopher Robin Milne, upon whom the character Christopher Robin is based. It was during a visit to London Zoo, where Christopher became enamoured with the tame and amiable bear *Winnipeg*, that Milne was inspired to write the story of Winnie-the-Pooh for his son.<sup>[2]</sup> Milne bequeathed the original manuscripts of the *Winnie-the-Pooh* stories to the Wren Library at Trinity College, Cambridge, his alma mater.<sup>[3]</sup>

**Early life and military career** [edit]

Alan Alexander Milne was born in Kilburn, London,<sup>[4]</sup> to John Vine Milne, who was born in Jamaica,<sup>[5]</sup> and Sarah Marie Milne (née Heginbotham), on 18 January 1882. He grew up at Henley House School, 6/7 Mortimer Road (now Crescent), Kilburn, a small independent school run by his father.<sup>[6]</sup> One of his teachers was H. G. Wells, who taught there in 1889–90.<sup>[7]</sup> Milne attended Westminster School and Trinity College, Cambridge,<sup>[8]</sup> where he studied on a mathematics scholarship, graduating with a B.A. in Mathematics in 1903. He edited and wrote for *Granta*, a student magazine.<sup>[9]</sup> He collaborated with his brother Kenneth and their articles appeared over the initials AKM. Milne's work came to the attention of the leading British humour magazine *Punch*, where Milne was to become a contributor and later an assistant editor. On 1 January 1908, he joined the Royal Warwickshire Regiment as a second lieutenant.

**Died** 31 January 1956 (aged 74)  
Harrow, Sussex, England

**Winnie-the-Pooh (book)**

From Wikipedia, the free encyclopedia

**Winnie-the-Pooh** is a 1926 children's book by English author A. A. Milne and English illustrator E. H. Shepard. The book is set in the fictional Hundred Acre Wood, with a collection of short stories following the adventures of an anthropomorphic teddy bear, Winnie-the-Pooh, and his friends Christopher Robin, Piglet, Eeyore, Owl, Rabbit, Kanga, and Roo. It is the first of two story collections by Milne about Winnie-the-Pooh, the second being *The House at Pooh Corner* (1928). Milne and Shepard collaborated previously for English humour magazine *Punch*, and in 1924 created *When We Were Very Young*, a poetry collection. Among the characters in the poetry book was a teddy bear Shepard modelled after his son's toy. Following this, Shepard encouraged Milne to write about his son Christopher Robin Milne's toys, and so they became the inspiration for the characters in *Winnie-the-Pooh*.

The book was published on October 14, 1926, and was both well-received by critics and a commercial success, selling 150,000 copies before the end of the year. Critical analysis of the book has held that it represents a rural Arcadia, separated from real-world issues or problems, and is without purposeful subtext. More recently, criticism has been levelled at the lack of positive female characters (i.e. that the only female character, Kanga, is depicted as a bad mother).<sup>[citation needed]</sup>

**Winnie-the-Pooh** has been translated into over fifty languages; a 1958 Latin translation, *Winnie ille Pu*, was the first foreign-language book to be featured on the *New York Times Best Seller List*, and the only book in Latin ever to have been featured. The stories and characters in the book have been adapted in other media, most notably into a franchise by The Walt Disney Company, beginning with *Winnie the Pooh and the Honey Tree*, released on February 4, 1966 as a double feature with *The Ugly Dachshund*. It remains protected under copyright in other countries, including the UK.

Rumah Minang [100]

Sepulang latihan bulu tangkis dari GOR di daerah Jakarta Utara, Sufyan dan Rahma merasa

sangat lapar. Saking laparnya mereka berdua sulit untuk memutuskan makanan apa yang ingin mereka makan. Kemudian Rahma pun memiliki ide untuk bertanya kepada salah satu temannya yang merupakan seorang food blogger untuk bertanya tempat makan apa yang paling enak di sekitar GOR tersebut. Teman Rahma pun memberikan suatu foto tempat makan Minang, tapi sebelum memberikan alamat dari tempat makan itu, temannya secara tiba - tiba tidak bisa dihubungi. Sufyan dan Rahma kebingungan dan pada akhirnya mereka berdua mencoba untuk mencarinya sendiri. Jika kalian menjadi Sufyan dan Rahma bagaimana cara kalian untuk menemukan alamat dari tempat makan Minang tersebut? Cobalah menemukannya sebelum perut Sufyan dan Rahma berbunyi!
